The document shows the minimum education, training and demonstration requirements for each trainer level. Please note if you do not meet a minimum requirement on a trainer level, you will fall to a level where you do meet every minimum requirement. All TECPDS registered trainers will now participate in the [ECE Micro-Credentialing Program for Trainers](#). You will receive access to the Micro-Credential courses in CLI Engage. You will use these courses to upload submissions that demonstrate your skills. Submissions are reviewed and badges are awarded for skills demonstrated. In the next few weeks, you will receive a welcome email notifying you about access to the Trainer Micro-credential Program. At this time there is nothing else you need to do to join the program, simply wait for the email.

Your renewal date is **June 28, 2027**. Please note that renewal requires **8 hours of training in Core Competency Areas for Trainers (TOT), 12 hours of training in Core Competency Areas for Practitioners and/or Administrators, and documentation of 36 clock hours of training presented by you.**
