Approved: 6/1/2022

Level: Trainer III

Dear Andrew,

I am pleased to inform you that you have been re-approved by Louisiana Pathways as an Independent Trainer in the following subject areas:

Health and Safety (Not to include required 3 hours of health training)
Emergencies
Disasters
Public Health
Law

As a Louisiana Pathways approved trainer, you should use the logo on your training certificate. Your trainer number should be placed below the line with your signature. Use of the logo and your number will help identify your certificates as acceptable by licensing surveyors. The original approval letter and certificate will be sent to you via postal mail.

Your approval will be effective for a 3-year period. At the end of that time, you will need to re-apply. A trainer may request to be moved to the next level at any time by completing the renewal application form and providing documentation of the additional requirements that have been met.

One of the requirements as an approved independent trainer is to receive 9 clock hours of continuing education on adult learning and presentation skills plus "Trainer Orientation/LDE Overview Update" which is available at no cost on the Louisiana Pathways website-- -- <https://www.nsula.edu/pathways/trainerapproval/renewals/> Guidelines and samples of acceptable topics are also available on the website. Note that the intent is for training to cover adult learning and presentation skills, not how to teach a specific curriculum or program. Be sure to send us any documentation of training that you receive so that your records are up to date.

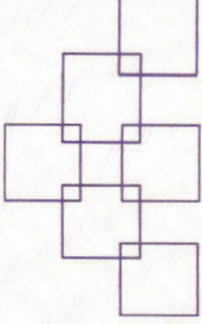

Thank you for your support of Louisiana Pathways and to the children and families of our state.

Sincerely,

Jenny Cowan
